great taste famiglia...

CREMINO

Delicious gelato with a fabulous and unusual combination of hazelnut, chocolate and cream. It has a very smooth texture and is very moreish. Commendable that the producer uses traditional handmade techniques.

Great Taste 2018 Judges

BISCOTTO SPECULOOS

A gelato that could easily be too sweet yet is incredibly well balanced. Beautiful texture, bags of flavour. Just perfect. The judges felt this is as good as gelato gets.

Great Taste 2022 Judges

SALTED CARAMEL CHOC BROWNIE P&B

A very appealing idea and an alluring appearance. There are some wonderful textures going on: a lovely crunch from the peanut butter, chunks of brownie and smooth gelato. Really enjoyable and quality ingredients used.

Great Taste 2016 Judges

PISTACCHIO SICILIANO

Exceptional real pistachio flavour and a well-judged level of salt. The entire pistachio nut is captured in all its glorious nutty, salty deliciousness! The judges wanted more and more.

Great Taste 2024 Judges

AMARENA

We really liked this product. The base holds together well and the cherry has lent it a lovely colour. The pieces of dried cherry add texture and interest. The mouth-feel is excellent. Well done.

Great Taste 2024 Judges

ZABAIONE AL MARSALA

Creamy and gorgeous, this gelato has the perfect level of rich and warming rum, with the crunch of the almonds cutting through and adding texture and nuttiness. Different and unique and something very special.

Great Taste 2022 Judges

CIOCCOLATO AL RHUM

This decadent looking ice cream is intriguing to look at. The flavour is instantly dominated by rum and then the velvety chocolate kicks in. The texture of the chocolate mirror glaze accompanied with the gelato is lovely. This is an impressive gelato.

Great Taste 2022 Judges

MELONE GELATO

PIANA DEL SELE (CAMPANIA, ITALY)

This transported the judge straight to sunlit terraces overlooking the Mediterranean. It is a holiday in every mouthful. Perfectly true in its melon flavours and well held in a rich, creamy base. Utter joy.

Great Taste 2023 Judges

NOCCIOLA PIEMONTE P.G.I

The perfect colour for a nut gelato. An immediate aroma of hazelnut is reflected in the flavour. Smooth and creamy but with a clean and fresh finish.

Great Taste 2025 Judges

FLAVOUR HIGHLIGHT

CANTALOUPE MELON

100% CANTALOUPE MELON, BATTIPAGLIA, CAMPANIA (ITALY)

We have selected the best cantaloupes to create a gelato, reminiscent of summer, at first taste.

With its sweet flavour profile and its warm peach hue, this jewel of our land, offers the quintessential flavour of the most evocative areas of Campania.

Gelato is something that always moves and amazes me in every flavour and variation. This flavour pays homage to my Italian heritage, a flavour you will want to enjoy again and again.

A delivery charge will be applied on all orders where applicable. Special deliveries to the rest of the UK can be arranged in advance via our special freezer courier and will be charged at the carrier cost, unless agreed otherwise.

The goods must be thoroughly checked on arrival and a clear signature must be given to the carriers. We are not responsible for any loss, damages or deterioration occurring after delivery has been made to the point of delivery nominated by the customer. Any shortages, breakages or damages must be specified on the receiving note and countersigned by our carrier or delivery driver.

Any goods that are found to be non conform to the order must be reported to the sales office within 24 hours from delivery. The natural loss of products is born by the consignee. Prices of our products may vary but will be confirmed upon ordering. All gelato and sorbetto are measured in volume of litres. Gelato and sorbetto must be stored at a temperature of at least -18°C and scooped between -10/-13°C. We reserve the right to refuse service to any customer for reasons including but not limited to circumstances of actual or implied physical or verbal abuse towards our business or our employees.

4.4 The Seller reserves the right to make any changes in the specification of the Goods which are required to conform with any applicable safety or other statutory or regulatory requirements or, where the Goods are to be supplied to the Buyer's specification, which do not materially affect their quality or performance.

4.5 No order which has been accepted by the Seller may be cancelled by the Buyer except with the agreement in writing of the Seller on the terms that the Buyer shall indemnify the Seller in full against all loss (including loss of profit), costs (including the cost of all labour and materials used), damages, charges and expenses incurred by the Seller as a result of such cancellation.

5. Price

5.1 The Contract Price of the Goods shall be the price listed in the Seller's price list current at the date of acceptance of the Buyer's order or such other price as may be agreed in writing by the Seller and the Buyer.

5.2 Where the Seller has quoted a price for the Goods other than in accordance with the Seller's published price list the price quoted shall be valid for 14 days only or such lesser time as the Seller may specify.

5.3 The Seller reserves the right, by giving written notice to the Buyer at any time before delivery, to increase the price of the Goods to reflect any increase in the cost to the Seller which is due to any factor beyond the control of the Seller (including, without limitation, significant increase in the costs of labour, materials or other costs of manufacture), any change in delivery dates, quantities or specifications for the Goods which are requested by the Buyer, or any delay caused by any instructions of the Buyer or failure of the Buyer to give the Seller adequate information or instructions.

5.4 Except as otherwise stated under the terms of any quotation or in any price list of the Seller, and unless otherwise agreed in writing between the Buyer and the Seller, all prices are exclusive of the Seller's charges for packaging and transport.

7.2 The Delivery Date is approximate only and time for delivery shall not be of the essence unless previously agreed by the Seller in writing. The Goods may be delivered by the Seller in advance of the Delivery Date upon giving reasonable notice to the Buyer.

7.3 Where the Goods are to be delivered in instalments, each delivery shall constitute a separate contract and failure by the Seller to deliver any one or more of the instalments in accordance with these Terms and Conditions or any claim by the Buyer in respect of any one or more instalments shall not entitle the Buyer to treat the Contract as a whole as repudiated.

7.4 If the Buyer fails to take delivery of the Goods or any part of them on the Delivery Date and/or fails to provide any instructions, documents, licences, consents or authorisations required to enable the Goods to be delivered on that date, the Seller shall be entitled upon giving written notice to the Buyer to store or arrange for the storage of the Goods and then notwithstanding the provisions of sub-Clause 10.1, risk in the Goods shall pass to the Buyer, delivery shall be deemed to have taken place and the Buyer shall pay to the Seller all costs and expenses including storage and insurance charges arising from such failure.

7.5 We reserve the right to refuse service to any customer for reasons including but not limited to circumstances of actual or implied physical or verbal abuse towards our business or our employees.

8. Non-Delivery

8.1 If the Seller fails to deliver the Goods or any part thereof on the Delivery Date other than for reasons outside the Seller's reasonable control or the Buyer's or its carrier's fault:

8.1.1 if the Seller delivers the Goods at any time thereafter the Seller shall have no liability in respect of such late delivery; or

8.1.2 if the Buyer gives written notice to the Seller within 5 Business Days after the Delivery Date and the Seller fails to deliver the Goods within 5 Business Days after receiving such notice the Buyer may cancel the order and the Seller's liability shall be limited to the excess (if any) of the cost to the Buyer (in the cheapest available market) of similar goods to those not delivered over the price of the Goods not delivered.

9. Inspection / Shortage

9.1 The Buyer is under a duty whenever possible to inspect the Goods on delivery or on collection as the case may be.

9.2 The Seller shall be under no liability for any damage or shortages that would be apparent on reasonable careful inspection if the provisions of this Clause 9 are not complied with and, in any event, will be under no liability if a written complaint is not delivered to the Seller within 2 Business Days of delivery detailing the alleged damage or shortage.

9.3 In all cases where defects or shortages are complained of the Seller shall be under no liability in respect thereof unless an opportunity to inspect the Goods is supplied to the Seller before any use is made thereof or any alteration or modification is made thereto by the Buyer.

9.4 Subject to sub-Clauses 9.3 and 9.4, the Seller shall make good any shortage in the Goods and where appropriate replace any Goods damaged in transit as soon as it is reasonable to do so, but otherwise shall be under no liability whatsoever arising from such shortage or damage.

10. Risk and Retention of Title

10.1 Risk of damage to or loss of the Goods shall pass to the Buyer at:

10.1.1 in the case of Goods to be delivered at the Seller's premises, the time when the Seller notifies the Buyer that the Goods are available for collection; or

10.1.2 in the case of Goods to be delivered otherwise than at the Seller's premises, the time of delivery or, if the Buyer wrongfully fails to take

delivery of the Goods, the time when the Seller has tendered delivery of the Goods.

10.2 Not with standing delivery and the passing of risk in the Goods, or any other provision of these Terms and Conditions, legal and beneficial title of the Goods shall not pass to the Buyer until the Seller has received in cash or cleared funds payment in full of the price of the Goods.

10.3 Until payment has been made to the Seller in accordance with these Terms and Conditions and the Contract and title in the Goods has passed to the Buyer, the Buyer shall be in possession of the Goods as bailee for the Seller and the Buyer shall store the Goods separately and in an appropriate environment, shall ensure that they are identifiable as being supplied by the Seller and shall insure the Goods against all reasonable risks.

10.4 The Buyer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Seller.

10.5 The Seller reserves the right to repossess any Goods in which the Seller retains title without notice. The Buyer irrevocably authorises the Seller to enter the Buyer's premises during normal business hours for the purpose of repossessing the Goods in which the Seller retains title or inspecting the Goods to ensure compliance with the storage and identification requirements of sub-Clause 10.4.

10.6 The Buyer's right to possession of the Goods in which the Seller maintains legal and beneficial title shall terminate if:

10.6.1 the Buyer commits or permits any material breach of his/her obligations under these Terms and Conditions;

10.6.2 the Buyer enters into a voluntary arrangement under Parts I or VIII of the Insolvency Act 1986, the Insolvent Partnerships Order 1994 (as amended), or any other scheme or arrangement is made with his creditors;

10.6.3 the Buyer is or becomes the subject of a bankruptcy order or takes advantage of any other statutory provision for the relief of insolvent debtors;

10.6.4 the Buyer convenes any meeting of its creditors, enters into voluntary or compulsory liquidation.

11. Assignment

11.1 The Seller may assign the Contract or any part of it to any person, firm or company without the prior consent of the Buyer.

11.2 The Buyer shall not be entitled to assign the Contract or any part of it without the prior written consent of the Seller.

12. Defective Goods

12.1 If on delivery any of the Goods are defective in any material respect and either the Buyer lawfully refuses delivery of the defective Goods or, if they are signed for on delivery as "condition and contents unknown" the Buyer gives written notice of such defect to the Seller within 2 Business Days of such delivery, the Seller shall at its option:

12.1.1 replace the defective Goods within 5 Business Days of receiving the Buyer's notice; or
12.1.2 refund to the Buyer the price for those Goods (or parts thereof, as appropriate) which are defective;

but the Seller shall have no further liability to the Buyer in respect thereof and the Buyer may not reject the Goods if delivery is not refused or notice given by the Buyer as set out above.

12.2 No Goods may be returned to the Seller without the prior agreement in writing of the Seller. Subject thereto any Goods returned which the Seller is satisfied were supplied subject to defects of quality or condition which would not be apparent on inspection shall either be replaced free of charge or, at the Seller's sole discretion the Seller shall refund or credit to the Buyer the price of such defective Goods but the Seller shall have no further liability to the Buyer.

12.3 Subject as expressly provided in these Terms and Conditions, and except where the Goods are sold under a consumer sale, all warranties, conditions or other terms implied by statute or common law are excluded to the fullest extent permitted by law.
